We would like to invite you to

5th International Pedagogical and Linguistic Conference (ERL V)

Educational Role of Language.
Learner and Teacher Identity

11-12 JUNE 2020, UKF in NITRA (SLOVAKIA)

Faculty of Education, Department of Language Pedagogy and Intercultural Studies

AIM

to address issues/studies concerning the educational role of language from the personal perspectives of learners and teachers, with a particular focus on the most recent turning points in education such as globalisation, digitalisation, migration, and individualisation

SCOPE

identity as determined by language on the level of (ERL Scope Major, i.e.) schooling, culture, methodology, personality and (ERL Scope Minor, i.e.) students' beliefs, activity, affect and thinking; general perspective: the issue of language-based identity in education

OUR DEVELOPMENTS

expected effects of the ERL conference: further internationalisation of ERL Network, incorporation of identity-based components into the work of ERL Association, initiation of Special Volumes of ERL Journal, and – very importantly – the setting off of (linguistic) identity-oriented global ERL scientific projects

YOUR CONTRIBUTION

room/reasons for your involvement: linguistic-cum-pedagogical character of your studies; your wish to join ERL Network/ERL Association and/or submit your paper(s) to ERL Journal; interdisciplinary perspectives at the linguistic aspects of educational identity; your wish to represent your state in our ERL global projects
